Dear Parents/Carers,

Since the last newsletter more changes have been made to the isolation rules. Please see below for details.

Changes to the self-isolation period for those who test positive for COVID-19

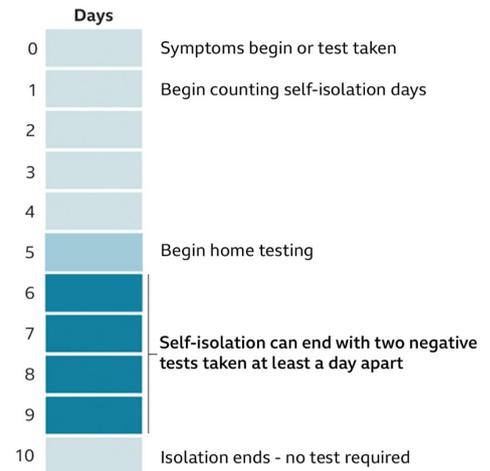

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace.

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation. Further information on self-isolation for those with COVID-19 is available.

Football Results

Brookside girls 3-1 Langford Village girls

Brookside boys 9-4 Langford Village boys

Brookside girls played their first fixture of the season and produced a fantastic performance to defeat Langford 3-1. The girls played brilliantly and there were some excellent passing and dribbling skills on display. Goals were scored by Caroline, Amy and Ina. It was great to see the girls have the opportunity to play and also great to see lots of parents coming to support.

The boys also managed to defeat Langford 9-4 in a goalfest. The boys started a little slowly but quickly grew into the game with some superb teamwork on display. The games was played in a great spirit and the boys showed some tremendous two touch football. Max scored a superb long range effort and Harley finished off an excellent free-flowing team move. Harley also managed to score a hat-trick as well as Isaac. George and Aidan also got on the scoresheet. Once again, there was excellent support on the sideline and it would be great to see more people following the team in the future.

Eco-Bricks Wanted!

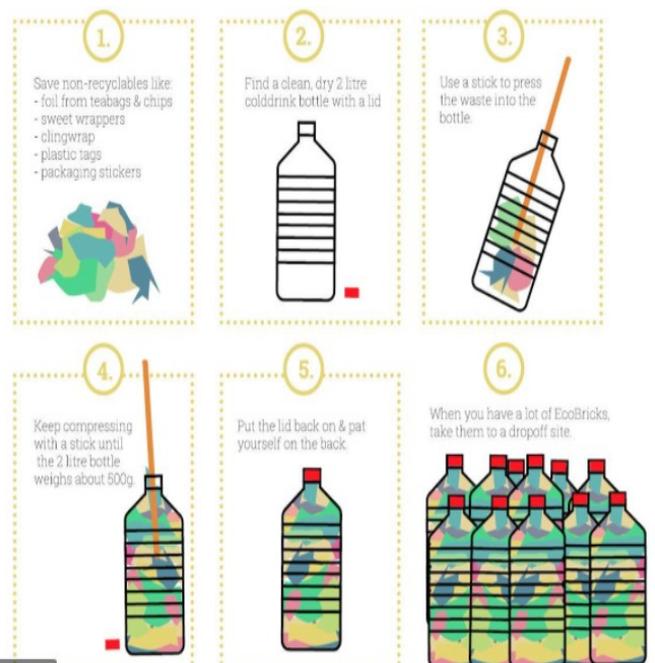

We are still collecting eco-bricks at school for an art / D&T project. If you can donate any 2-litre plastic bottles we would much appreciate it. If you can please also stuff them with non-recyclable plastics such as crisp packets to make them sturdy and bring them into school! Thanks to those parents who have already donated some, but yes we need as many as possible!

Diary Dates

Half Term Monday 21st February—Friday 25th February
Parents' Evenings—Monday 28th March and Tuesday 28th March
End of Term—Friday 8th April (3:00 p.m. finish)

Best wishes,

Mr Cornell and the staff of Brookside

Footsteps road safety

Oxfordshire County Council's Road Safety Team are constantly looking to improve the safety of child pedestrians and so are reviewing the advice and guidance we provide to parents and carers.

To help us achieve this, we are evaluating the effectiveness of the Footsteps (Child Pedestrian safety advice for parents / carers) programme and would like parents and carers to help by completing an online questionnaire.

If you would like to keep your child safer on our roads, please visit [Walking with children | 365Alive](#) where you can download a copy of the Footsteps leaflet to provide you with guidance to support your child in becoming a safer and, eventually, an independent pedestrian. Once you have downloaded the Footsteps guide, the link to the survey can be found further down the page, please click on the link to complete the short questionnaire which will then help us to keep all children safer.

Thank you.
